

EDWARD EZEONU

UI/UX | Graphic design | Research

PROFILE

I am a young, smart and versatile man with a persevering spirit. I am focused and goal oriented which makes me restless towards my tasks.

EXPERIENCE

UI/UX & Graphics Design

Freelance (SEPT 2021 - DATE)

Responsible for researching and designing interface and graphic works for clients, ranging from event posters, ID cards, campaign fliers, interfaces for mobile apps, websites, etc.

Major accomplishments

I did a 60 days challenge of continuous designing and produced over 60 works including template of ui/ux tips and graphic works.

Some of my works includes interface designs for a dating app known as 'bOO'.

A car renting website known as 'Cruise Easy' which also has features for drivers for hire.

A website design for a hotel known as Odunze's Palace and I am currently designing an E-commerce website. I have also done entry level jobs on various occasions.
